

A great catch for the state of Idaho.

Reliable FedEx® shipping at discounted rates.

The state of Idaho has entered into an agreement with FedEx as a result of a multi-state cooperative solicitation for package delivery services. FedEx submitted a bid that provides low rates on both ground and express shipping.

Under the Western States Contracting Alliance (WSCA), now all Idaho state agencies and political subdivisions are eligible to participate.

Pick the right speed for your shipment. It's easy.

FedEx makes scheduling your shipment simple, because both FedEx Express and FedEx Ground deliver when you need it.
